

Explore the Expo!

Use this form to gather information from three exhibitors based on your cluster finder results.

Below are some sample questions to ask the exhibitors:

- How would you describe a typical day at your job?
- What education or training do you need for this job?
- What is the salary range for this job, from entry level to advanced placement?
- What skills are needed in order to do your job?
- What do you like most about your job?
- Did you choose this career or did this career choose you? How did you decide on your career pathway?
- How has technology affected this job?
- What high school classes should I take to prepare for a career in this field?

The exhibitors will be color-coded and identified by career cluster:

Agriculture, Food & Natural Resources-**Gold**
