

What is the Health, Tech & Trades Career Expo?

This event is designed to promote your industry to 9th graders in Fargo, Moorhead, West Fargo and area rural public and private schools. Each year more than 3,000 students attend the Expo!

The interactive exhibits are engaging for all ages. Interested sophomores, juniors, seniors and their parents are also invited to attend during regular exhibition hours.

“ The Career Expo gives students an excellent opportunity to see first-hand what choices are out there that may not involve a four-year college education. As an exhibitor, you get the opportunity to talk with students about your business, the positions available and the educational requirements needed to be successful in your field. Each year I am always amazed at the many different career paths out there for today's youth to experience.”

Our Mission...

To expose students to occupational opportunities available in the health, technology and trade industries in our region through hands-on experiences.

Plan Your Hands-On Exhibit!

- Create an eye-catching exhibit to draw students to your booth.
- Plan a hands-on demonstration in which students can participate.
- Display or demonstrate equipment, skills and tasks common to your trade.
- Show off your trade or industry, but be realistic.
- Be safe. All interactive displays must have approval of steering committee and facility. Heavy equipment must be pre-approved.
- Provide flyers, business cards or information on scholarships, programs or training available.

Booth Construction:

The standard booth configurations are 10' x 10'.

The first booth is \$125 and each additional is \$75

Included in Booth Rental Rate:

- 1 table and 2 chairs per 10' x 10' space (tables: 8'x 30"x 30")
- Electricity (must indicate on contract)
- Drapes/pipe for 10'x10' increments
- Wireless Internet Access
- Lunch

Set up & Move-Out Schedule:

Thursday, Nov. 29, 2018
